

# EYE CLINIC

SUBJECT	INFORMATION		
1 ABOUT THE DEPARTMENT (BACKGROUND AND SERVICES RENDERED)	<p><b>DEPARTMENT OF OPHTHALMOLOGY</b></p> <p>The Department of Ophthalmology has retained its reputation for innovative thinking and pioneering procedures refined and pioneered here. Glaucoma remains one of the leading causes of permanent blindness in the population served by this institute. We are maintaining our efforts to provide a permanent surgical solution that is complication free. When it comes to preventable blindness we continue to do high volume cataract surgery. The department also participate in the World Sight Day and has a cataract surgery week where extra surgery is performed.</p>
